WELCOME LETTER

US Army Dugway Proving Ground is an ATEC operated proving ground where IMCOM manages the installation operations. On behalf of the Soldiers, Airmen, employees, and residents who work and live at Dugway, we are delighted you are interested in our installation.

Dugway is a closed post that has all of the attributes of any small town in America. We take great pride in providing exceptional services throughout our small, close-knit community. Environmental and fiscal stewardship are priorities here. Abundant wildlife and vast terrain are protected in accordance with national environmental policies and we continually work on restoration operations. We also strive to ensure that every dollar we receive returns the highest value for our customer.

Dugway is not just a place; it is a TEAM of highly skilled professionals that provide unique chemical, biological, radiological, nuclear, and explosives (CBRNE) and unmanned aerial system (UAS) testing and training for our Nation's defenders. The members of TEAM Dugway provide a wide range of support services across approximately 1300 square miles of a remote, high desert post that includes state-of-the-art equipment, superior facilities, and flexible ranges. We combine all of this physical infrastructure and talented personnel with efficient, quality-driven processes to improve capabilities to defend our homeland and support our military. Finally, we place safety at the forefront of all we do and I charge you to do the same.

In closing, I would like to personally welcome you to the home of TEAM Dugway. Enjoy your time here.

ACCOMODATIONS

IHG Army Hotels/Desert lodge

The IHG Army Hotels/Desert Lodge features 56 extended stay rooms, with kitchenettes, microwaves and safes in every room. Rooms also include standard hotel amenities, including king sized beds and flat screen televisions with DVR's. Additionally, four family suites include dishwashers as well.

A complimentary continental breakfast is served in the lobby seven days a week from 5:30 a.m. to 10:00 a.m. Monday through Thursday, and from 7:00 a.m. to 10:00 a.m. Saturday and Sunday.

Desert Lodge guests are invited to attend Social Hour, every Wednesday in the lobby beginning at 5:30 p.m. A complimentary dinner is served.

Get some last minute work done in the hotel Data Center where you will find web connectivity and printer.

Visit our Sweet Shop for a sweet treat or snack. You will also find a selection of sundries as well as gift items and souvenirs.

Staying on post means you'll be conveniently close to your work and everything else you might need. And since you don't have to be in the military to stay at the hotel, everyone is welcome - no matter the mission.

Guests are encouraged to reserve accomodations well in advance by calling (435)-831-6500. For more information, e-mail: tonya.wintle@ihg.com or kathryn.metcalfe@ihg.com or visit: [//ihgarmyhotels.com](http://ihgarmyhotels.com).

RECREATION

Utah National Parks

There are five national parks in Utah:

- **Capitol Reef** - Encompasses Waterpocket Fold, a huge warp in the earth's crust.
- **Arches** - Preserves over 2000 natural sandstone arches.
- **Canyonlands** - A colorful maze of canyons, mesas and buttes.
- **Bryce Canyon** - A huge series of natural amphitheatres famous for its rock formations called "hoodoos".
- **Zion** - Home to some of the most breathtaking geology in North America, you have to see it to believe it.

For more information, please visit the National Park Service web site at <http://home.nps.gov/state/ut/>.

Things to do in Tooele County

The Deseret Peak Complex is just northwest of Tooele. The complex features a number of indoor and outdoor tracks for BMX bikes, ATVs and dirt bikes. The complex also has softball fields, an archery park, miniature golf course and much more. For more info, visit <http://www.deseretpeakcomplex.com/>.

Every August and September, land-speed racers descend on the world famous Bonneville Salt Flats for Speed Week and World of Speed. For more info, visit <http://www.scta-bni.org> or <http://www.saltflats.com>.

Utah Skiing

Utah was home to the 2002 Winter Olympics, and has 14 world-class ski resorts where snow enthusiasts can enjoy alpine and cross-country skiing, snowboarding and showshoeing. Eleven resorts are within an hour of Salt Lake City. Averaging 500 inches of light, dry powder annually, Utah features some of the best skiing in the world.

For more information about area resorts, visit <http://www.skiutah.com/>.

Things to do in Salt Lake City

Salt Lake is a thriving city with plenty to keep you busy. Explore the Utah Museum of Natural History or The Leonardo at Library Square. Attend a performance of the Utah Symphony or Opera.

There are many recreational opportunities, including golf courses, city parks, Hogle Zoo, as well as spectacular canyon hiking trails.

Salt Lake is home to Utah Jazz basketball, as well as Salt Lake Bees baseball, Real Salt Lake soccer, and Grizzlies hockey.

Many cultural events take place every year, including the Sundance Film Festival and Salt Lake International Jazz Festival. The Salt Lake Arts Council produces many public programs and outdoor concerts as well. And don't miss the the Downtown Farmers Market at Pioneer Park, every Saturday during the Summer.

For more info, please visit <http://www.slcgov.com/whattodo/>.

Snowbird Ski Resort near Salt Lake City

ON-POST

DPG provides a variety of activities to do on post:

- **Fitness Center** - A full-featured gym offering a basketball court, cardio room, indoor track, racquetball courts and weight room.
- **Swimming Pool** - Open to all Dugway personnel and residents June through August.
- **Library** - Over 25,000 books, movies, audio books, etc.
- **Craft Shop** - Woodworking, and lapidary (jewelry making) equipment available to all Dugway residents. Staffed by volunteers, and open on Tuesday from 6:30 p.m. to 9:30 p.m., Thursday from 6:30 p.m. to 9:30 p.m. and Saturday from 9:00 a.m. to 1:00 p.m.
- **Outdoor Recreation Office** - Offers rental equipment, group trips and more.
- **Hunting** - Hunting is permitted in designated areas on post under the jurisdiction of the Commander and Utah Division of Wildlife Resources. For information about necessary permits and more, contact the Outdoor Recreation Office.
- **Sportsman's Complex** - Driving Range and Archery Range available during the summer season.
- **Bowling Center** - Open limited hours. Also available for group reservations.
- **Car Care Center** - Open limited hours.

- **Ditto Gym** - Building 4166 in the test area, behind the Chem Lab, features access to fitness equipment 24/7.

Schools

Dugway has both an elementary and a high school under the jurisdiction of the Tooele School District (www.tooele.k12.ut.us). The size and location of Dugway dictates small class sizes (usually less than 20 students) which allows for individualized attention and a high quality education. A \$15 million K-12 school construction project is underway with opening scheduled for Fall 2015. Child care and after-school programs are available:

- **Family Child Care (FCC)** - Care for children up to 12 years old in a home or small group setting.
- **Child Development Center (CDC)** - Care for children younger than school age.
- **School Age Services (SAS)** - After-school programs for grade school age children.
- **Youth Services (YS)** - After school programs for kids in middle and high school.

Housing

DPG provides a variety of on-post housing options. Dormitories and 2-bedroom housing units are available to single individuals, and 3-6 bedroom units and detached homes are available to families.

Because Dugway is somewhat remote, there is a high demand for on-post housing. Housing is subject to availability, and there is usually a lengthy waiting list.

For more information about on-post housing, or to sign up for the waiting list, please call the Housing Office at (435)831-3541.

ON-POST

Dining

Breakfast and lunch are served Monday through Thursday at the Ditto Diner in the test area.

The Dugway Community Club in, English Village, also serves lunch and dinner, Monday through Thursday. For more information call: (435)-831-2091.

The Dugway Community Club is also available for catered events as well as providing contract meals for training units.

A Subway sandwich shop is also available in English Village, located just inside the Ott Bowling Center.

A selection of sandwiches, snack foods and microwaveable items are available at the Dugway Exchange Express/Gas Station.

Commissary

Dugway's location allows all residents, including military and government civilian personnel to shop at the full-service commissary.

Looking for something special or an item not commonly stocked? Have the Commissary place a special order for it.

Hours are Monday through Thursday from 11 a.m. to 7 p.m., Friday from 9 a.m. to 4:30 p.m. and Saturday from 10 a.m. to 5:30 p.m. The commissary is closed on Sundays.

For more information, call (435)-831-3464 or (435)-831-2917 during the hours listed above.

Dugway Mall

The Post Office, ATM and Dugway Federal Credit Union are all located in the Dugway Mall.

The Post Office hours are: Monday through Friday from 9 a.m. to 4 p.m., and Saturday from 9 a.m. to 11 a.m. For more information about post office services call: (435)-831-4261.

Dugway Federal Credit Union hours of operation are: Monday through Thursday from 10 a.m. to 4 p.m., and Friday from 8 a.m. to 1 p.m.

For your convenience, the DFCU, Ditto Branch, located behind the Ditto Diner, is open Monday through Wednesday from 10 a.m. to 2 p.m., and Thursday from 10 a.m. to 4 p.m.

Travel

Travel time from the Salt Lake City airport to the main gate at Dugway Proving Ground is approximately 1 hour, 30 minutes. Travel time from Tooele to the main gate at DPG is approximately 45 minutes. Refer to the maps included in this package for directions on both routes.

Much of the route south of Interstate 80 on Highway 196, and west of Rush Valley on Highway 199, is open range: there are no fences to keep cattle and wildlife from the roadway.

Use extra caution in open range areas, especially at night or during storms. Antelope, deer and cattle are common and are not easily seen on the roadway at night. Be wary as you approach blind curves and the backside of hills.

Fuel Station

Refuel or top off at the Dugway Exchange Express prior to leaving the post. If going to Tooele, the nearest fuel station is 35 miles. If driving up Highway 196 (Skull valley) the nearest fuel station is over 50 miles. South, West and Northwest of Dugway, there are no small towns or communities with cafes, fuel stations or restroom facilities.

A limited selection of sandwiches, snack foods and microwaveable items is available at the Dugway Exchange Express.

Attire

Utah's climate can vary significantly from season to season, so visitors are advised to pack for high temperatures during the summer months, up to 100 degrees F, and cool temperatures at night. Light clothing and sunglasses, a rain jacket, and a long sleeved shirt, sweater, or jacket for the evening should be sufficient for summer visits. Attire recommendations apply to the labs as well as the field. Spring and fall are mild, with winter temperatures averaging 30 degrees F. Wind speeds up to 60 mph are not uncommon on active test and training ranges, with flash thunderstorms occurring frequently during the summer. Range hazards, including tripping and falling, warrant the use of long pants and closed toed shoes.

Safety Briefing:

- For your safety, please follow and comply with all safety guidance, to include signs, placards, and escort instructions.
- To avoid heat stress symptoms, please ensure adequate hydration, rest periods, recommended attire and sunscreen.
- Wildlife: please do not disturb their habitat, or feed, water or approach.
- Unimproved range road speed is 35 mph. Cellular phone use while driving on or off the installation is prohibited unless a hands-free device is used. Texting while driving is illegal.
- Always drive alert by avoiding fatigue and driver distractions. Drive sober. Avoid speeding and keep your distance using the 4-sec. rule. Adjust your speed to changing weather conditions. Use vehicle restraint systems at all times.
- An emergency car kit for traveling in the west is highly recommended.

Phone/Internet

Dugway Proving Ground is within one of the most remote areas of the lower 48 states. Much of the surrounding area has no cell phone coverage. Please contact your sponsor or POC or Dugway Public Affairs Office for information about cell phone coverage at Dugway.

The DSN telephone prefix is 789. To call out from an office phone, dial 94 for DSN. Dial 99 for a local number, and dial 98 for long distance. Wait a second or two, then dial the number. Please note that calls to and from Tooele are local, while Salt Lake calls are long distance. You will need to use area codes when calling someone further away than Tooele.

To call Dugway from off-post, please dial (435) 831-xxxx, where xxxx represents the extension you are trying to reach.

Internet access is available at the post Library in the Community Center building, and at the Desert Lodge Data Center.

Telephone service, cable TV and internet service is available to residential customers on Dugway. For more information about current services call the Housing Office at (435) 831-3541.

TAP Laundry

If your visit will require the use of Personal Protective Equipment (PPE), TAP Laundry can fit test you with M40 gas masks and respirators. Emergency escape bottles and Toxicological Agent Protection (TAP) gear will be issued here as well. For additional information, please contact TAP Laundry at 435-831-5262.

Health Screening

If your visit to the Test Center or Chemical Facility will require the use of a respirator or M40 gas mask, you are required to undergo a health screening and obtain a medical clearance. A mask or respirator clearance form is available through your P.O.C. Please call for an appointment two weeks in advance.

For additional information, or to schedule an appointment, please contact the Health Clinic at (435) 831-2211. The Dugway Health Clinic is next to the Army Community Center. Please refer to the English Village map included in this packet for location.

Camel's Back Mountain, Ditto area

ON-POST

Clearances

If you are a Foreign National contractor, contact the Intelligence Office one month prior to your arrival at DPG. All Foreign Nationals are required to be escorted at all times in the test areas. Foreign National visitors may move freely when staying in English Village. For more information contact:

DPG Counterintelligence Office
Phone: (435) 831-2719
Fax: (435) 831-2284

Prohibited and Regulated Items

Alcohol is prohibited past Access Control Point #2.

Cameras, weapons and ammunition may only be brought on post with proper, prior authorization. Please contact your sponsor, POC or Dugway Public Affairs Office for more information.

Range Control

Encompassing over 1,300 square miles, DPG is a vast installation. As safety is paramount, it is imperative that your whereabouts are known. Prior to going west of Ditto, you are required to clear access through Range Control. Contact them by radio (call sign "Range Control"), or telephone at (435) 831-5141. A West Test Area map is included in this packet for your reference.

Installation Access

All visitors should have a sponsor or point of contact prior to accessing Dugway. Your sponsor should place your name in the e-Advance Visitor Pre-registration system. The following information is required:

- Full name
- Date of birth
- Citizenship
- Dates of visit
- Reason for visit
- Access level
- Drivers license (issuing state and license #)

Any visitor to Dugway Proving Ground may be subject to a III (Interstate Identification Index) Background Check.

Be ready to show your current vehicle registration and current driver's license at the Main Gate. Ask your DPG sponsor or point of contact to request a Visitor Pass if you are going into the test area. He or she should also indicate the area you will be visiting to obtain proper clearance on the Visitor Pass. Please keep in mind that many offices at DPG are open Monday through Thursday from 7 a.m. to 5:30 p.m. only.

Be aware that your vehicle may be searched upon entrance and is subject to search at any time while on the installation.

Please be aware that Dugway has a Chemical Agent Incident Response Assistance (CAIRA) and Biological Mishap Incident Response (BMIR) system. If at any time you hear a siren, please proceed to the nearest building and stay inside until cleared to leave.

Stryker at Camel's Back Mountain

ON-POST

Retreat

Retreat is played every day at 5:00 p.m.

American citizens must stop to render respect; foreign nationals should stand and face the flag, hands at the side, until the playing of Retreat is completed.

UXO

Unexploded Ordnance (UXO), may work its way back to the surface. Visitors planning to travel past Access Control Point (ACP) 2 must review and sign the “Unexploded Ordnance (UXO) Range Hazards Orientation, DP-CMSA Form 3”. This is a one-time requirement. If during the course of your travels you notice a suspicious item, **DO NOT TOUCH IT!** Mark the spot and contact law enforcement and security at 435-831-2933.

Please coordinate your photographic requirements with your DPG POC as early as possible.

Security

Dugway has diligent law enforcement officers who strictly enforce seat belt use and posted speed limits. Officers also enforce the “Zero Tolerance” drinking and driving policy. If you visit one of Dugway’s lounges and have too much to drink, don’t drive.

Cell phone use while driving on Dugway is strictly prohibited as it is throughout Utah. Be aware that security and law enforcement have the authority to ticket anyone violating this policy.

Call (435) 831-2000 for information regarding inclement weather or other situations that might cause the installation to delay opening hours or be closed.

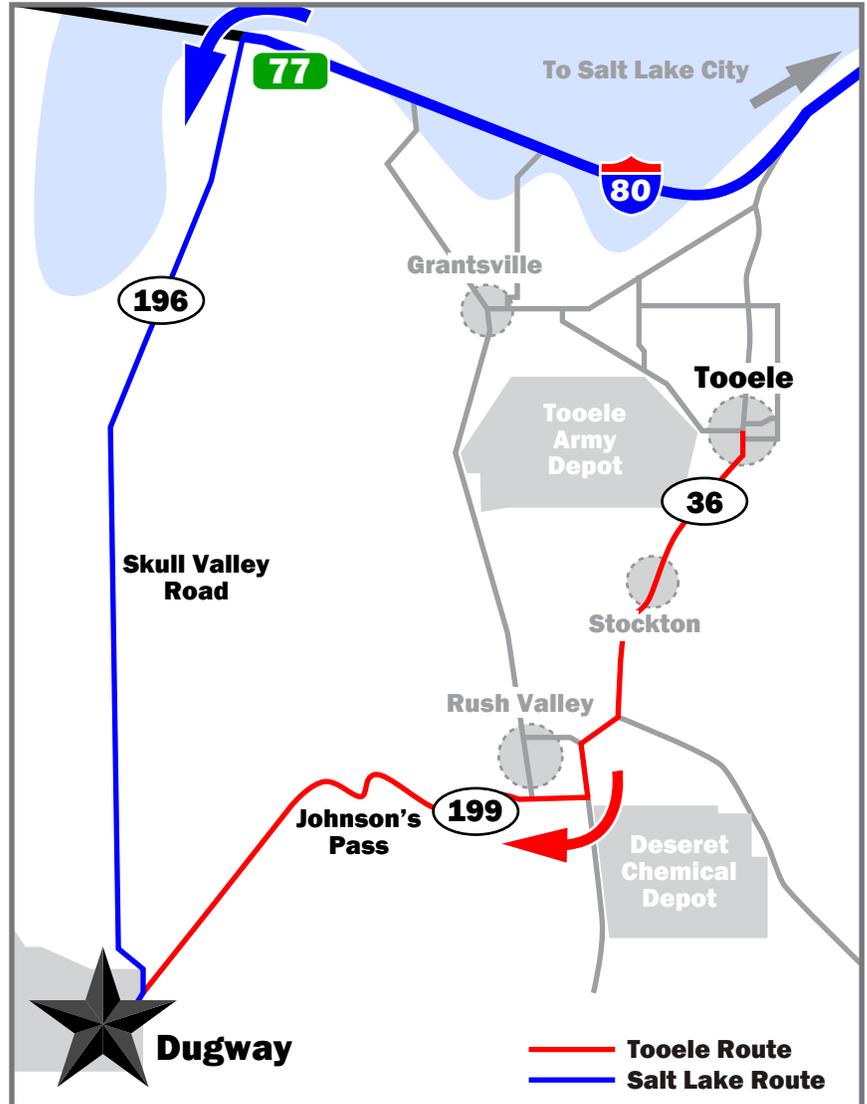

Cameras/Photography

Please observe the following rules regarding photography at Dugway:

- Use of cameras and camera cell phones is a regulated activity and requires prior authorization. Camera passes are currently issued on an as needed basis, and by appointment only.
- Foreign visitors will not be issued a camera pass or allowed to take photographs while on the installation.
- Photos of the main gate are strictly prohibited.

Please coordinate your photographic requirements with your DPG POC as early as possible.

DRIVING DIRECTIONS

From Salt Lake City

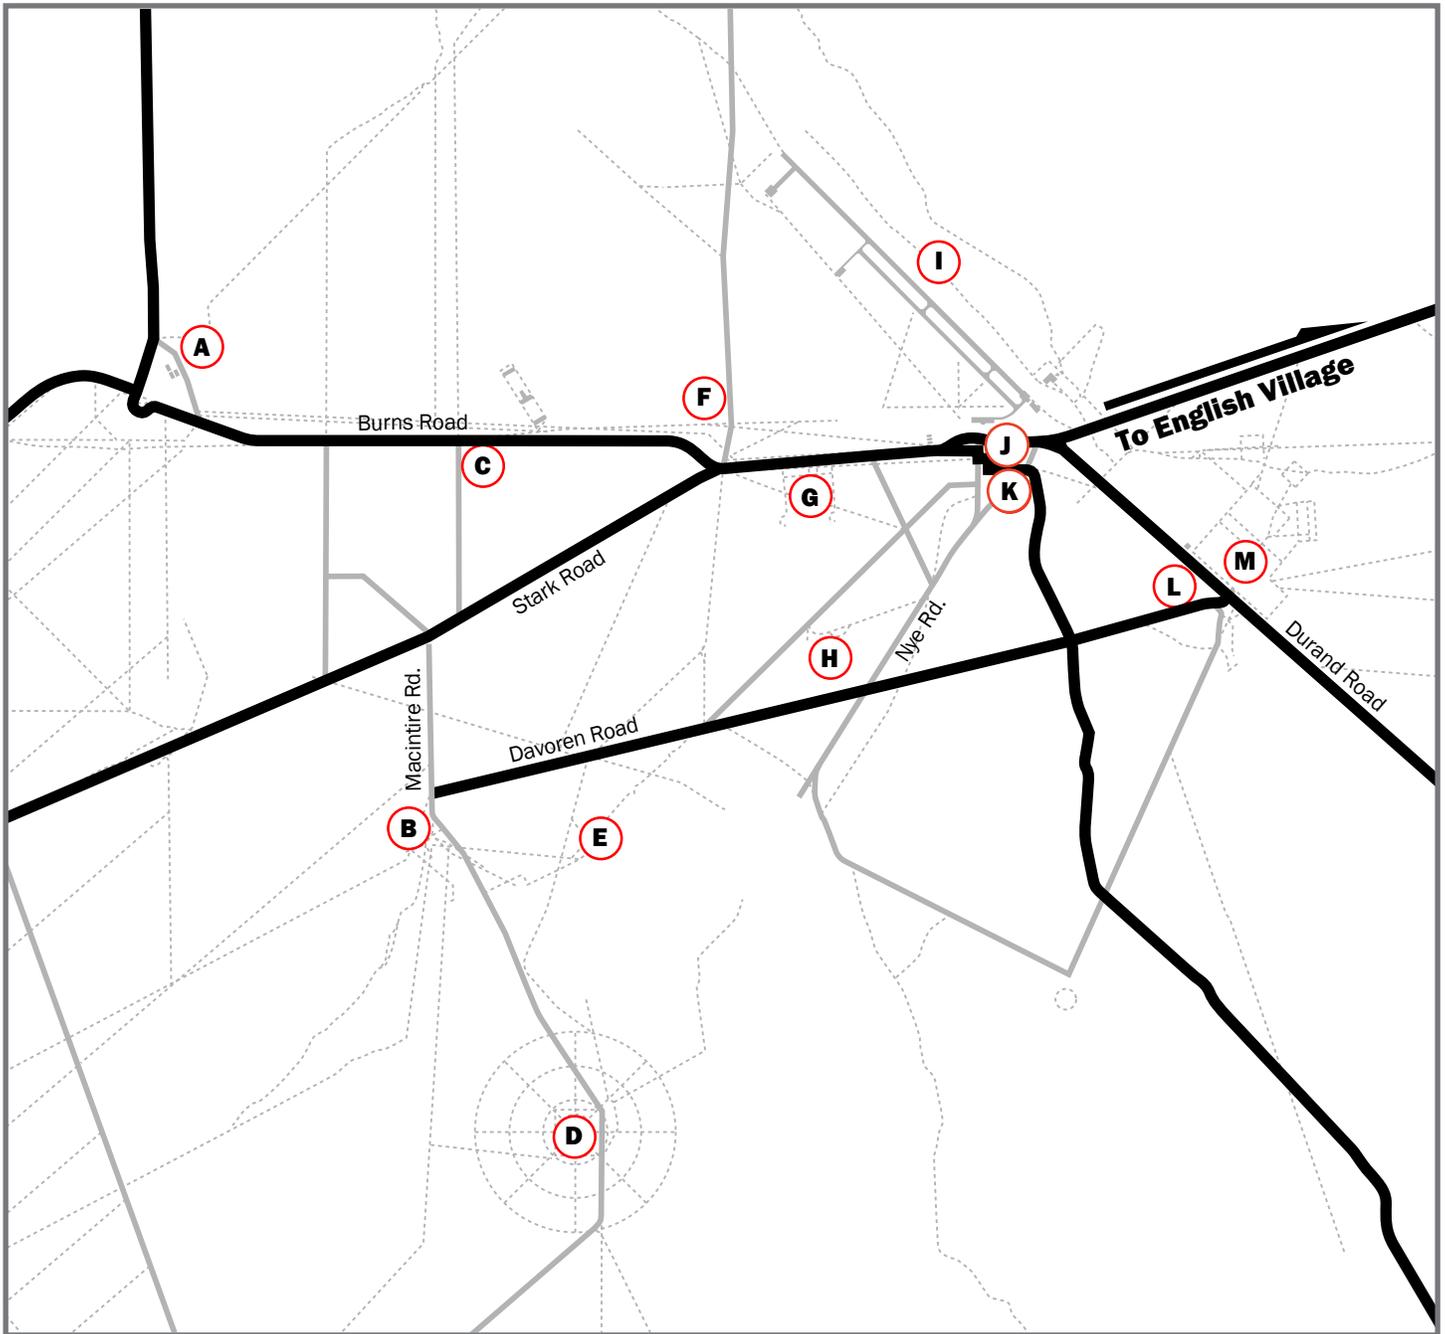

1. Travel west on I-80
2. Exit at the Dugway/Rowley exit (exit 77)
3. Turn left at the bottom of the ramp
4. Head south on Skull Valley Road to Dugway Proving Ground (approximately 37 miles)

From Tooele

1. Travel south on Route 36 (Main Street, Tooele)
2. Continue through Tooele and Stockton
3. Turn right onto Route 199
4. Follow 199 over Johnson's Pass to Dugway Proving Ground

Note: there are no services between Stockton and Dugway. Please make sure you have enough gas.
